# PANDORA

//Innovation

Eligibility: VI-XII
Teams per School: 1
Team Members: 2
Theme: Open

DELIVERABLES:
- Participants will create a presentation demonstrating the solution to the chosen problem.
- Developing a prototype is optional but developing one would fetch extra points.
- Participants can also submit 3D models, Mock-Ups, etc to present their ideas more fluently and visually.

RULES:
- Participants have to present their thoughts and counter other opinions on their idea, in the final round.
- Presentation is mandatory and must include the problem chosen.
- Submission based prelims will be conducted online. Students have to submit their deliverables latest by 29th Oct, 2022 at wartexdata@gmail.com
- The finals for the selected entries will be conducted offline on 31st Oct, 2022.

Judgment Criteria:
- ORIGINALITY
- CREATIVITY
- PRESENTATION
- COMMUNITY IMPACT
