# LOREM IPSUM

//Group Discussion

Eligibility: IX-XII
Teams per School: 1
Team Members: 1

GUIDELINES:
- The competition will be conducted in two rounds in the specified modes.
- The theme for this event is 'cyber-security'.

Preliminary round:
- Participants are required to record a video on the following topic: 'Cryptography: Past, Present, and Future'

- The video should be uploaded on youtube and the link of the same must be mailed to wartexdata@gmail.com
- The length of the video should not exceed 180 seconds.
- Exceeding the time limit will lead to negative marking.
- The final list of the top 20 participants will be shared before the main offline event.

Final Round:
- Participants will be provided with a topic on the day of the event.

- Participants must not, at any time during the competition, reveal the name of the school they represent. They will only be identified by the number assigned to them. Failure to comply will lead to disqualification of the team.

JUDGEMENT CRITERIA:
- Content
- Presentation
- Vocabulary
